

UGM Subcommittee

08/19/2024

I move to recommend that the Countywide Planning Policies be amended to add the following provisions to maintain consistency with amendments to the Growth Management Act allowing for UGA swaps:

Policy 2.5: Revision to an Urban Growth Boundary considered during a periodic update as established by RCW 36.70A.130(5)(b) proposing to swap land inside an urban growth boundary for land outside an urban growth boundary, must demonstrate consistency with the requirements of 36.70A.130(3)(c) and these County-Wide Planning Policies.

Policy 2.6: Revision to an Urban Growth Boundary considered as part of the County's annual review in accordance with RCW 36.70A.130(2)(a) proposing to swap land inside an urban growth boundary for land outside an urban growth boundary, must demonstrate consistency with the requirements of RCW 36.70A.110(8) and these County-Wide Planning Policies.
